Dear : Sir/Madam

With reference to your reminder fax of 29 June 2005 concerning the above-identified application, please be informed that the street part of the address of the first inventor is indeed indicated in the request form as "Gele Plomp 38".

Due to a clerical error by the International Bureau, it was indicated in the front page of pamphlet as "Gele plomp 38". Therefore, the front page of pamphlet of this application will be republished to reflect the correct indication.

With best regards,
